Art Unit: 2876

1. Receipt is acknowledged of amendments filed on 4/8/2004.
2. Claims 26-43 are presented for examination.

***Priority***

3. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

***Allowable Subject Matter***

4. Claims 26-43 are allowed.
5. The following is an examiner's statement of reasons for allowance: the prior art of record, taken alone or in combination with any other references fails to teach means for creating an electronic coupon bar code by presuming the user's tastes according to the user's personal information registered in the personal database, by preparing the electronic coupon content that suits the user's tastes and by encoding the prepared electronic coupon content; means of reading an electronic coupon bar code contained in the image data displayed on the portable terminal; and means of sending new personal information generated by the service to the server so that the new personal information is reflected in the electronic coupon content for the next delivery. These limitations in conjunction with other limitations in the claimed invention were not shown by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
